

Three Local Groups Sponsor Agricultural Experiment

The Grossmont High School District's ninth high school site will also be the sight of a unique agricultural experiment sponsored jointly by the district, the Otay Water District, and local Kiwanis clubs.

The experiment, which has to do with using reclaimed sewerage for irrigation, will take place on the new site at Jamacha and Hillsdale, on the outskirts of El Cajon and Spring Valley.

The venture will make use of the district's property, Otay's reclaimed sewerage,

and El Cajon Valley High School's agricultural students, along with funds from the school district and Kiwanis clubs.

Alex Struthers, who is chairman of the Kiwanis agricultural committee and assistant manager for the water district, has spearheaded the experiment, and is largely responsible for bringing the Kiwanis Clubs and school district into the venture.

The plan is to cultivate several half-acre plots of land with some irrigated with regular water and others irrigat-

ed with the Otay District's reclaimed water.

Irrigation Methods
In addition, some of the plots will be irrigated using the "furrow method" while others will be watered using the new "drip method."

The El Cajon Valley agricultural team will provide the know-how and manpower to farm the acreage while the Otay Water District will provide the water free of charge.

In addition, the Browning Sprinkler Company will provide equipment and technical skill needed to put the "drip

irrigation" method into operation.

The Science Department at El Cajon Valley High School will also work with the group in evaluating the condition of the water being used.

Cabbage and Squash

The crops to be grown on the land will be cabbage and squash because, according to Dyer, they are hardy plants and have minimum labor requirements. This is important since students will be working on the project primarily on their own time after school.

The project started when

the Otay Water District decided to try to prove that the reclaimed water had high value for agricultural uses, as it contains high contents of some of the fertilizers used by farmers.

Training Valuable

Struthers pointed out that the in-the-field training for agriculture students would be an excellent supplement to the classroom instruction they already receive, so the students were brought into the project, with funding supplied by the school district.

Unfortunately, the agricul-

ture classes do not have the equipment to pursue the kind of program that in-the-field training requires, so Struthers brought the problem to the Spring Valley Kiwanis Club.

The Kiwanis Club agreed to help raise money for the needed equipment, and also suggested that Struthers present the idea to other local Kiwanis clubs.

Six Clubs Help

There are now six clubs that have agreed to help in the project, including Spring Valley, La Mesa, Alpine, El Cajon, Lakeside, and Lake Mur-

ray clubs. The market value of the equipment that the money is being raised for is estimated at approximately \$10,000. The Kiwanis clubs will be raising half of the money, and the school district has agreed to raise the other half.

More or Less

Struthers said that the equipment will not only be used on the experimental project, but will also be used for other experiments by the agriculture students.

According to Struthers, the

project is most important because "while domestic water supply costs are doubling, we are pumping more than 90 million gallons of effluent water into the ocean each day without trying to reclaim it and use it again."

He also stated that it will be necessary for the San Diego area to pick up the gap for substantial agricultural production during the next twenty years as other areas in Southern California are rapidly running out of good farmland.

Poll Strong For Defense

Recently we participated in a national poll to help feel the pulse of the public relating to the way our world business is being conducted.

We learned, from Operation Alert, a poll coordinated by the American Security Council, that the feeling is strong against many of the present policies on national security issues espoused by our government.

The results of the poll, in which many of our readers (approximately 300) participated, indicated that dissatisfaction is greater than many leaders appear to believe.

American Security Council president John M. Fisher, of Washington D.C. said that the U.S. has become the number 2 power in strategic military strength. He said that the Soviet Union is ahead in megatonnage by 10,330 to 1,730 and in overall strategic weapons by 3,500 to 2,260 and that the public is becoming uneasily aware of the fact. To add to the unrest, ASC has launched Operation Alert, which Fisher says is a nationwide education voter education program. Invitations to participate in Operation Alert are being mailed to more than 2,000,000 voters of both major parties, and to 3,000 civic organizations.

Fisher said OA purposes are:

1. To warn Americans that their country is no longer first, but a fast-slipping second in strategic military power.
2. To warn Congress and the Administration that the bulk of the American people want the U.S. to be first in strategic military power
3. To urge voters to make national security a prime issue in the November elections
4. And to let President Nixon know that most voters want "Peace Through Strength" and they will back him against the "Disarmament Lobby" in regaining military superiority over the Soviet Union.

The poll appeared to slant toward those who are fearful of the growing might of the Redpower and it probably excited more of these kind of people into response.

The results of the poll below are of the first 100,000 participants. Our readers voted just about the national average with an exception being No. 6. In this they veered about 10 per cent. I suspect few people understand the "Freedom Academy" question and that may have contributed to the variance.

- The results:
- | Legend | A-Agree % | B-Disagree % | C-Undecided % |

Local Man Wins National Post

KANSAS CITY, Mo. (Special) — Happy Blake, 2168 McKnight dr., Lemon Grove, has been named National Aide-de-Camp, VFW, by Herbert R. Rainwater, Commander in Chief of the Veterans of Foreign Wars of the United States.

Commander Rainwater said, "Our American heritage is a great and noble monument to the constructive idealism of man. It is a legacy of freedom and opportunity for every

American who respects it — and who is willing to accept his own responsibilities under our law. Fortunately, we of the VFW have such men as Happy Blake who do not only accept their own responsibilities but who reach out to serve their organization, their community, state and country. I publicly commend Blake for his fine record and expect that he will continue to distinguish himself not only in the VFW but as a citizen of our country."

School District Board Members Get Milk, Cookies At Meeting

A real treat surprised the three board members who were present at the Lemon Grove School District Board meeting Tuesday night, as cookies and milk were served by members of the cafeteria staff.

In 1963, President Kennedy signed legislation proclaiming the second week in October National School Lunch week, and the board was asked to recognize it this week, which it did.

Kiwanis Apple Days Near In Lemon Grove

The word "apples" becomes synonymous every October with "Kiwanis" in the Lemon Grove - Spring Valley area and with good reason: over the last 15 years Lemon Grove Kiwanis members have sold 1,504,570 Delicious apples for local youth.

A club whose motto is service to the community, Lemon Grove Kiwanis has contributed over \$30,000 to Mount Miguel, Helix and Lemon Grove Junior High music groups, college student loans, Christmas funds for deprived children, Little League baseball, Pop Warner Leagues, D.A.R.E. retarded children's fund, earthquake relief, Red Cross ditty bags for the military, Lemon Grove Plaza maintenance, Mount Miguel Key Club, and Kids' Day parades.

This year's annual Kiwanis Apple Days are scheduled for Oct. 21-24 according to committeemen John Johnson, Len Farness, and Sam Pernicano.

Buyers may visit the railroad car at Main and Imperial ave. in Lemon Grove or may call the following numbers to place orders: 469-5201, 466-6504, 463-3212, 463-8429, or 466-0564.

"Boxes of the extra fancy Washington Delicious apples will be offered at non-inflationary prices," said John Johnson. "Buy yours at \$8.50 a box or \$4.25 a half box." He urged, "Help us to help the kids of the community; put your dollars where they count!"

LG Fire Report

A garage at 1828 Primera, attached to the house of Donald M. McIntire, was burned in the amount of approximately \$4,000 to \$5,000 on Oct. 8. The Lemon Grove Fire Department received the call at 4:26 p.m.

A spokesman for the Fire Department said the fire started when gas fumes ignited with a pilot light in a water heater.

On Oct. 5 firemen answered a call to 7106 London ln., Ute Courts, 32, was given oxygen and sent to a hospital.

John Anderson, 80, of 7337 San Miguel, was given oxygen on Oct. 6 and sent to a hospital.

Patricia Ohradzka, 23, of 3376 Par dr., Brookside, was sent to a hospital on Oct. 9, after she was injured in a motorcycle accident on Broadway, in Lemon Grove.

In other action, Leonard Klee, Warren Buekner, and Robert Sjogren, the three present members, authorized letters to be sent to the PTA regarding Halloween Carnivals.

The letters contain information regarding insurance, use of facilities, and other regulations. The letters also commend the PTA's for work with the carnivals.

The board also approved authorization for a district-wide fund drive for money to help reforest areas burned in the recent fires.

The board members also listened to a report from Paul Reynolds on the San Diego City Planning Commission, which is considering rezoning portions of property East of Imperial ave., and South of Canton dr., which lies partially in the Lemon Grove School District.

The board authorized Reynolds to contact the commission and give the district's approval of continuing the measure, if the district will be notified before a hearing takes place.

Local Youth Honored For Fire Work

Grossmont College students James Colquhoun, 9302 Hollywood rd., Spring Valley, and Chris Hinshaw of Lakeside, were recently commended by the San Diego County Public Works Administrator for superior performance of duty among the recent series of tragic forest fires.

Public Works Administrator David K. Speer in commending Colquhoun and Hinshaw who served as student worker radio-telephone operators for the County of San Diego said, "They worked long hours without relief at the Civil Defense Emergency Operations Center, the County Public Works Agency Radio Dispatch Center, the La Mesa Fire Department Fire Communications Coordinating Center, and at temporary emergency radio transmitter repeating stations, especially on Mt. Helix."

"They averaged over 36 hours on duty from 5:30 a.m. Saturday, September 26 to 7 a.m., Monday, September 28. "Their fine performance, unselfish attitude, and devotion to duty immensely aided the fire containment and coordinated evacuation efforts. It provided San Diego County with a wonderful example of dedicated efficient service by members of the younger generation."

Thieves Get \$620 From Spring Valley House

Burglars made off with approximately \$620 worth of goods from the home of Mike Timm, 9209 San Diego st., Spring Valley October 4.

According to reports from the Sheriff's Department, entrance to the house was made by way of the garage or an open window.

Missing from the house was a 24" color TV, a .22 rifle, and a 12 gauge shotgun.

Planning Association Elects Officers; Nov. 6 Hearing Set

QUEEN — Marilyn Kotnik, of 8055 Canton dr., Lemon Grove, will be crowned queen of the House of Pacific Relations October 24 at the International Fall Festival at 8 p.m.

Marilyn, who earlier this year was crowned the queen of the Poland Cottage of the House, will receive her new crown in a program that will include music by the House of Scotland Pipers and dancing throughout the evening. The public is invited, and the donation is \$1. Door prizes will be awarded.

Supervisors Reject Scheidle Suspension

SAN DIEGO (CNA) — The County Board of Supervisors will make no attempt to suspend the two board members who were indicted last week by the County Grand Jury.

The board discussed the situation in closed session briefly Tuesday morning and Harry Scheidle and Jack Walsh took their seats when the regular session resumed.

Scheidle, supervisor of this district, is charged with bribery and conspiracy to evade the election code and Walsh faces a single conspiracy charge. Trial date for Scheidle is Dec. 7.

Assistant County Counsel Robert Berrey said that a section of the charter allowing the board to suspend indicted county officials does not, in his opinion, cover members of the board of supervisors.

Walsh and Scheidle and others were members of the San Diego city council when the alleged events involving Charles Pratt and the Yellow Cab Co. took place.

The private discussion had been asked for by Harry Scheidle and Berrey said it was a appropriate subject for an executive session.

Chairman Henry A. Boney said in open session that the matter should be left up to the courts without the supervisors attempting to judge.

Both supervisors say they are not guilty of the charges.

Dorman, Woods, Ela Elected; All Programs Win Approval

James V. Dorman, an attorney of 7615 Circle dr., Lemon Grove, was elected president of the Lemon Grove Planning Association Tuesday night at a general meeting at L.G. Junior High school auditorium.

Dorman, as other officers, had been serving temporarily since the first general meeting almost a year ago.

Elected to serve with Dorman were Ben Ela, an engineer, of 1610 Elroy, and Al Woods, a bank manager at 3099 Imperial, as vice presidents; Evelyn Taylor, a medical secretary, of 1380 Glencoe dr., secretary, and Frank Shughrue, a banker at 3285 Imperial, treasurer. Shughrue was nominated from the floor.

Ela had served as Works Program chairman and Woods as Boundary Planning chairman since the group formed. Mrs. Taylor served as secretary from the inception. Members of the Planning Association approved the by-laws, work programs and boundaries as presented by the chairman of each project.

Not Guilty Plea Made In 'Pot' Charge

SAN DIEGO (CNA) — A Spring Valley woman, four El Cajon residents and a Descanso woman pleaded not guilty in Superior Court Tuesday to various charges involving the use and sale of marijuana.

Those involved included Mariann Kamenski, 22, 9236 San Diego st., Spring Valley; Arlene Calista Bonstell, 24, Don Edward Wilson, 26, Elm ln., Judith Ann Gordon, 22, and Barry Eugene Gordon, 25, all of El Cajon, and Norma Jean Wilson, 19, Descanso.

They were arrested on August 18 at the Gordons' residence. They pleaded not guilty before Judge Leland C. Nielson, and he set their trial for Dec. 2. All are free on cash bail or bond.

Chamber-OTD Meetings Set

Sheriff's Deputies Richard Rabell and Dave Pugh who are the Lemon Grove patrol leadmen, will be on the regular monthly meeting program of the L.G. Chamber of Commerce Oct. 22 when the board of directors meet at noon at The Embers.

The pair will discuss some of the police problems faced in this area. The meeting is open to the public. Bob Russell will preside.

The first Old Time Days meeting of the new year is scheduled for 7:30 p.m. at the Chamber office on October 28, according to Joyce Foss, chamber secretary. James Dorman will preside.

While no immediate work assignment was handed out, President Dorman referred to the coming Broadway improvement as the type of project the Association should concern itself with. "We need to give county officials a sense of direction," he said. "They want to be certain that recommendations reflect the wish of the community."

One of the requests following the approval of the program was for a meeting with Supervisor Harry Scheidle. Scheidle had already offered to meet with Association members and Dorman instructed the secretary to arrange such a meeting.

Claude Munk, County senior planner, under whose jurisdiction the local project falls, said officers and programs approved Tuesday night would be presented to the County Planning Department on November 6. If Planning concurs, these will be submitted to the County Board of Supervisors. When the Board approves, the Lemon Grove Planning Association will be an entity recognized by county government.

As a comparison, the Po-way Planning Association was started a year before Lemon Grove's.

Its program will be considered by the Planning Department on November 4, just two days ahead of Lemon Grove's.

Two Jailed For Possession Of Dangerous Drugs

A motorcyclist and his girl friend were arrested in Spring Valley October 5 when several illegal pills were found in the girl's jacket pocket.

According to reports from the Sheriff's Department, the vehicle was stopped for excessive speed at 668 Sweetwater rd.

As the deputy talked with the man, Robert Sutton, 35, of San Diego, his eyes appeared bloodshot, and he had difficulty maintaining his balance. The suspect's eyes also failed to show much of a reaction to a flashlight, and since there was no odor of alcohol on his breath, he was arrested for being under the influence of dangerous drugs.

The girl, Marion Schmid, 23, also of San Diego, was in the same condition, and was also arrested. A search of the suspects revealed the pills.

Motorcyclist Hit

A left-turn accident Friday on Broadway in front of the Lemon Grove Post Office knocked Patricia Lee Ohradzka, 23, of 3376 Par dr., Spring Valley, off her motorbike. Miss Ohradzka was treated at Grossmont Hospital.

Lemon Grove Sailor Is Navy's Singing Chaplain

Bill Perry worked his way through college playing his guitar. Pickin' and singin' money paid for his wife's engagement ring. Music is still a big part of Bill's life, and now it's helping to get sailors to attend church services!

Perry, of 1975 Calle Entre, Lemon Grove, is a minister of the Lutheran Church. He is presently attached to the staff of Commander Destroyer Division 12. He serves as chaplain for the guided missile destroyer USS Hoel, and the destroyers USS Hull and USS Floyd B. Parks, and holds services aboard one of the three ships each Sunday.

When Chaplain Perry reported to the Destroyer Division in May, 1969, the average attendance at Sunday services was one or two men. Sometimes nobody showed up. For the past seven months, attendance has consistently been between 45 and 65 persons.

Why? Because Chaplain Perry has tuned in to the generation he serves — generally young men in their late teens and early twenties. And he makes good use of music and miniskirts to get the men to attend services.

Chaplain Perry plays a Martin D35 guitar, a Fender 12-string, and a five-string banjo. He strums them at his services, and invites everyone to bring their musical instruments and "do their thing". Drums, electric guitars, harmonicas, basses, tambourines, all have made appearances and performances.

Another drawing card for

the shipboard services is girls. When the ships are in port at San Diego, Chaplain Perry recruits young ladies from local youth groups and churches to attend his services.

The Chaplain justifies his actions this way: "If the body isn't there, you can't attract the mind. I wouldn't be silly enough to think that the men are there to get religion, but maybe while they're there something may happen... something will get through to them."

Chaplain Perry has a theme for each service, and he carries it through with the music and a "rap session", where men and minister can talk frankly about everything from pot to Navy problems.

Often there are special guests in attendance. There have been speakers from Synanon to talk about drugs. Former World Heavyweight Champ Archie Moore was a recent guest. Several other sports figures, as well as people from the entertainment field, have joined the Chaplain's congregation.

Chaplain Perry wears either civilian clothing or his clerical garb when conducting services. "I'm proud of my Navy uniform," he emphasizes, "but I want to be known to the men as a chaplain or pastor, not a lieutenant. The uniform is very big, and the cross on it is very small."

'Atonement' Is This Week's Lesson-Sermon

The subject of the sermon to be read Sunday in all Christian Science churches is "Doctrine of Atonement."

Services at First Church of Christ Scientist, 7741 Pacific ave., are held at 11 a.m. All are welcome.

Food prices rose much less in the first half of 1970 than during the past years, reports U. S. Department of Agriculture.

MUSIC MINDED MINISTER — Chaplain Bill Perry, of 1975 Calle Entre, Lemon Grove, uses a unique way of reaching sailors at his shipboard services. Perry plays two different guitars and a banjo and invites everyone to bring their instruments to services, where they play music varying from traditional hymns to popular songs.

Psychologist Scheduled For United Methodists

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

A venturesome person reported that he was highly disappointed in the movie industry in Tijuana. He visited each of the movie houses there and concluded that all of them were showing the same picture, "HOY."

If this venturesome person had ventured through the pages of any Spanish dictionary he would have been more disappointed in himself than in the movie houses of Tijuana. "HOY" means "TODAY." What he saw was not the name of the feature but the date indicator of the showing. And incidentally, there are some very reputable, first-class movie houses in the Tijuana area. They can be an aid to learning Spanish.

Basic divisions of time are not difficult to master. As we have pointed out "hoY" means "today." "Manana" is "tomorrow." In a simple phrase we might say "Hoy es jueves." for "Today is Thursday." and "Manana es viernes." for "Tomorrow is Friday."

"Ayer" means "yesterday." "Ante" when added as a prefix to "ayer" forms "anteayer" which means "day before yesterday." So we may say "Ayer fue miercoles." for "Yesterday was Wednesday." and "Anteayer fue martes." for "Day before yesterday was Tuesday."

"Anoche" is translated "last night" and "hoy en la noche" is the way to say "tonight." These last two expressions demonstrate how, on occasion, it takes more than one word to express the same idea from one language to another. Also, you have probably noticed that the names of the days of the week are not capitalized in Spanish. Practice phrases listed below are designed to facilitate your learning of words and expressions which relate to the division of time. You may

wish to practice them with the aid of the recorded voice that will say them for you when you dial 276-2762 on your telephone.

IMPORTANT PHRASES:

Say "Hoy es jueves." (OH-ee ehs who-EH-vehs) for "Today is Thursday." Say "Manana es viernes." (mah-n YAH-nah esh Vee-EHR-nehs) for "Tomorrow is Friday."

USEFUL PHRASES:

Say "Ayer fue miercoles." (ah-YEHR foo-EH mee-EHR-koh-lehs) for "Yesterday was Wednesday." Say "Anteayer fue martes." (ahn-TEH-ah-YEHR foo-EH MAHR-tehs) for "Day before yesterday was Tuesday."

OTHER PHRASES:

Say "Vamos hoy en la noche." (VAH-mohs OH-ee ehn lah NOH-cheh) for "We are going tonight." Say "Fuimos anoche." (foo-EE-mohs ah-NOH-cheh) for "We went last night."

CONRAD LEMON GROVE MORTUARY

This Sunday

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is for more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Walker Scott To Sponsor Pink Ladies

Pink Lady Days, publicizing Hospital Auxiliaries, will again be sponsored by a local merchant in College Grove, October 26, 27 and 28.

Thirty-four members of Edgemoor Geriatric Hospital Auxiliary have volunteered to take part in the Walker-Scott Pink Lady Days. They will attend the coffee party given by George Scott and his associates October 21 and will work in the El Cajon and College Grove branches of the Walker-Scott stores October 26 through the 28.

George Scott invites the San Diego County hospital auxiliaries to serve in his stores in order to give the Pink Ladies an opportunity to tell the public about their work in hospitals and to interest more women in becoming volunteers. Each auxiliary receives a generous check from Walker-Scott Company and from Scott, personally.

Those serving from Edgemoor Auxiliary are Mrs. Frank Aves, chairman and Mrs. Richard Kagarice, co-chairman.

Antique Show On Tap In Mission Valley Oct. 16-18

The Greater Antiques Dealers Association of San Diego County will present its sixth semi-annual Antiques Show and Sale at the Scottish Rite Memorial Center, Mission Valley, Oct. 16, 17, 18 from 1 to 10 p.m. daily and from 1 to 6 p.m. Sunday.

According to Mrs. Charles Saunders, Show chairman, carefully selected dealers from the San Diego area and throughout the west and mid-

west will display a large variety of fine antiques and collector's items, including cut glass, pressed glass, jewelry, dolls, antique sterling and silver plate, porcelain, oriental objects and lovely old furniture.

Theme of the show will be "Pioneer Days" and participating dealers will wear costumes of the period. Yellow chrysanthemums have been chosen for the booths and tables, and decor under direction of Robert Longdyke, will depict interesting historical events of early California.

Delicious home cooked food, including a Bar B Q dinner, will be served in the dining room amidst an autumn setting.

Of interest to the public will be a special exhibit on display only. It will include items loaned by the La Jolla Historical Society and other local Historical Societies.

Clothing, worn by Pioneer families and loaned by Midge Ness, will be on stage in tableau form. There will be a selection of early photographs loaned by the Title Insurance and Trust Co. from their historical museum.

Also on display will be two oil paintings owned by Mr. and Mrs. Jack Porter of Poway. These are harvest scenes painted on the old Porter ranch at Escondido around 1920. A door prize will be given daily.

Mr. and Mrs. William Kerr, who operate Pa Kerr's Country Store, 7945 Broadway, in Lemon Grove, will be among the exhibitors at the show.

Burgener Talks On Welfare, Schools, Generation Gap

At a recent breakfast-meeting of the Spring Valley Kiwanis Club, State Senator Clair Burgener was the guest speaker. His talk was mostly about education; but in response to questions he also touched on the "generation gap" and the welfare program.

In answer to a question on the welfare program, he said the Federal, State and County governments are all involved with this, with the Federal Government contributing 46 per cent, the State 40 per cent, and the County 14 per cent, but the County has the responsibility of administration.

He said he feels that one level of government should handle it, preferably not the Federal. He said he sees danger that the Welfare program is developing a "dependent society."

In a breakdown on who is on welfare, Senator Burgener said that the average age of the aged on welfare is 77 years; there are 12,000 blind, and of the 1,300,000 receiving ADC (aid to dependent children) three-fourths of them are under age 18, so that from 90 to 95 per cent receiving welfare are either aged, blind or under age, and it's difficult to make savings by cutting any of these people from welfare, because most people agree they need help.

The senator said also that in his talks to students in colleges and high schools, the question is always asked, "Why is the Governor and the

State Legislature starving the Educational System?" In answer he said that of the 7 billion dollar State budget, 2½ million, over 1/3 was for education.

He said it's true that the University of California, the Community Colleges and other education didn't get all they asked for, but the U. of C. did get \$338 million, which is \$100 million more than 4 years ago, and the Community Colleges get \$159 million, which is \$84 million more than 4 years ago.

He explained that the budget is worked on for 5 months before it is submitted to the Legislature, and then it requires 2/3 majority vote for approval, and then must be signed by the Governor.

COMBO Auctions To Raise \$150,000

Two auctions will highlight COMBO's fund raising project in December, it was announced by Victor Krulak, president. Both will be in the Conference building in Balboa Park.

On December 3, a home will be among the items sold to high bidders. Other items include color teevees, household items, sporting goods, toys, and other items. Bids will be accepted in writing and admission to the auction will be \$1.50.

The second auction will be December 5 and admission is \$75 a person which will include a black tie dinner and \$50 in auction scrip.

Eight cultural organizations in San Diego will benefit from the auctions. Net goal for both auctions is \$150,000.

Survey Set For Local Schools

A survey of school enrollment at all levels from nursery school thru college will be conducted in this area by interviewers of the Bureau of the Census next week, according to Leonard C. Isley, Director of the Bureau's regional office in Los Angeles.

Local interviewing will be part of a nationwide effort made annually to measure the Nation's school and college population. A similar survey in October 1969 showed total enrollment to be 59.9 million persons — 33.8 million in elementary school, 14.6 million in secondary school, 3.3 million in kindergarten, 860,000 in nursery school, and 7.4 million in college.

The survey will be made along with the monthly national survey of employment and unemployment for the Bureau of Labor Statistics of the U. S. Department of Labor which furnishes a basic measure of national economic health.

Information collected in Census Bureau surveys can be used only to determine statistical totals, and facts about each person and family are kept confidential by law.

More Georgians visited Florida in 1969 than those from any other state.

La Presa Elementary

"Back to School" will be the theme for the first meeting of the year of the La Presa Elementary School PTA, which will be held tonight at 7:30 p.m. in rooms 15 and 16 at the school.

Following a brief business meeting, William Paslay, principal at the school, will introduce members of the school staff.

After the meeting, parents will have the opportunity to visit their children's classrooms and visit with teachers, who will speak with them about courses being taken this year.

Refreshments will be served by the executive board members.

Mt. Vernon

A parent volunteer program to aid teachers in giving more individual attention to students is now in operation by the Mt. Vernon Elementary School PTA.

Under the plan, parents assist pupils in such areas as reading, writing, spelling and various special projects. Volunteers are used upon request of teachers and with approval of the school administration.

Through this method the students are able to obtain more concentrated assistance and perhaps retain more enthusiasm for their school work, according to PTA Education chairman, Mrs. Lynn Aske. It should also prevent some children from falling behind in their class assignments, she added.

Much of the help is currently given in the library, assisting students to obtain data from books, tape recording re-

ports and increasing reading capabilities.

The Mt. Vernon PTA is inaugurating the aid program this year after beginning a library expansion project in 1969. The expanded library concept includes addition of text books and possible display areas for student accomplishments and is under the direction of Mrs. John Obendorfer. Persons interested in helping with the teacher aid program may contact Mrs. Aske at 460-9476, while library volunteers should call Mrs. Obendorfer at 463-6967.

L.G. Junior High

Mrs. Charles Chiles, president, will preside at the first meeting of the school year of the Lemon Grove Junior High School PTA at 7:30 p.m. tonight in the school auditorium.

The colors will be presented by Boy Scout Troop No. 108 under the direction of George Lickteig, Assistant Scoutmaster. An inspirational message will be given by Mrs. M. Garcia, Character and Spiritual Life chairman.

During the meeting, Mrs. Chiles will introduce the PTA officers and chairmen for the 1970-71 school year and Louis Poluzzi, principal, will present the school staff members.

Refreshments will be served in the Auditorium following the classroom visits. "Back to School Night" is being held to give the parents an opportunity to attend their children's class, to meet the teacher, and to have an overview of the year's work presented to them.

Because of the nature of the activities for the evening, no baby-sitting will be provided at the school, according to Marilyn Jarman, president of the Kempton Parent Teachers Association.

Monte Vista

Eleven Monte Vista High School students have been elected to join with adult members of the policy-making Executive Board of the only PTSA in San Diego County.

Board members include ASB president, Dave Little, vice-president, Lewis Michaelson, and Merry Mills, co-chairman of hospitality.

The remaining eight students are juniors Maureen Gaddis, and Pat Rudloff, sophomores Cindy Ross and Kathy Ferguson, seniors Ray Lanfisi, Rachel Lewis, and Dani Ehman, and freshman Robin Bowers.

All members of the PTSA executive board, students and adults, have one vote each. Meetings are held on the third Tuesday of each month.

Kempton

The Kempton Street Elementary School PTA will hold a "Back to School Night" for parents tonight at 7:15 p.m. in the auditorium.

Following a brief business meeting the parents of children in Rooms 19 and 20, and in Grade 4-5 will attend classroom sessions from 7:30 to 8 p.m. and the parents of children in Kindergarten through Grade 3 will attend classroom sessions from 8:05 to 8:35 p.m.

Refreshments will be served in the Auditorium following the classroom visits.

"Back to School Night" is being held to give the parents an opportunity to attend their children's class, to meet the teacher, and to have an overview of the year's work presented to them.

Because of the nature of the activities for the evening, no baby-sitting will be provided at the school, according to Marilyn Jarman, president of the Kempton Parent Teachers Association.

Kids Taught Self Defense At Kempton

Instruction is being given on a once-a-week basis to boys in Grades 4-5 who desire to learn the "Art of Self-Defense", at Kempton Elementary School. Dr. J. Smith Jacobs, Principal of the school is giving instruction in boxing, wrestling and running. "All of which are necessary for a good defense," Dr. Jacobs states.

The boys desiring instruction have two requirements: (1) to not be involved in any fights or physically aggressive acts, and (2) to bring a permission slip from their parents. To date fifty-five boys have signed up and the club meetings have been broken down to a grade-level basis.

The sixth graders meet Mondays after school, and the fifth and fourth graders Thursdays during "P.E." or after school. Instruction includes calisthenics, rope jumping, boxing techniques, and demonstrations. Each boy has an opportunity to work on the skill under current instruction. "Those participating seem to like it," Dr. Jacobs, a former AAU and Golden Gloves boxer, said.

Party For Mills

NATIONAL CITY — The public has been invited to a fund-raising cocktail party to Re-Elect Senator James R. Mills at the VFW Hall, 102 E. 16th st., Saturday at 5 p.m.

Dr. George Parchen, National City chairman of the drive to re-elect Mills, said there will be a two dollar admission charge which includes one free drink.

Mills, a ten-year veteran of the legislature is seeking re-election to the 40th Senatorial District which includes San Diego and Imperial Counties.

Students Get Six-Week Report Cards

Monte Vista high school students will receive progress reports at six-week, rather than nine-week, intervals this year, Principal R. C. Brady said.

The new grading policy, adopted throughout the Grossmont District, eliminates the need for deficiency reports, commonly known as "smoke-ups."

"The revised system should improve communications with parents, enable them to work on grade problems before it is too late, and also to recognize positive achievement by their students," Principal Brady said.

Students will receive progress reports on Oct. 26 and Dec. 8. Final grades for the first semester will be mailed home after Jan. 29.

Monte Vista high school's enrollment increased this fall by 94 students over last year's, said Mrs. Rosanna Patton, records clerk.

Second-week figures placed the senior class at 523 students, juniors 578, sophomores 605, and freshmen 644, for a total enrollment of 2,350.

Monte Vista Hosts Pair Of AFS Students

Monte Vista High School is hosting two foreign exchange students, Marit Reutz, 18, of Tromsø, Norway, and Sajid Monawar Shah, 17, of Mazarisharif, Afghanistan.

Marit's American hosts are Mr. and Mrs. Robert Collier of 4275 Crestview dr., La Mesa.

Monawar is staying with the George Gehl family of 11533 Rolling Hills dr., El Cajon.

Marit's home is in the area of Norway in which the midnight sun occurs from the middle of May until the middle of August.

"Visitors in my country have a hard time adjusting to the midnight sun, but if you are used to it, then it is no problem," she said.

Monawar, the middle child of a family of five boys and four girls, describes Mazarisharif's climate as having winters that are too cold, and summers that are too hot.

Three Youths Arrested On Marijuana Charges

Three San Diego juveniles were arrested October 5 on charges of possession of marijuana, at Eucalyptus and Grand, Spring Valley.

According to Sheriff's reports, the youths, Marvin Kai-

ser, 18, Jeffery Blount, 15, and Gene Murray, 16, were originally arrested for curfew violations, but a search of the vehicle they were in netted about an ounce of the illegal weed.

AID TO NEEDY — Students at Casa De Oro Elementary School held an Assembly September 21 and decided to hold a drive for outgrown clothing and food for victims of the fire that swept through the county.

After a week's work, the students came up with this pile of canned goods and clothing, which they turned over to the El Cajon Woman's Club Juniors, who dispensed the items to needy families in the stricken area.

Key Club Kids Visit Retarded At Casa Blanca

The Helix High School Key Club visited the Casa Blanca home for the mentally retarded, Oct. 3, to volunteer their services.

At the home, some of the boys played catch with the children while others read and talked with them.

The visit to Casa Blanca is the first of many human relation projects that the Key Club plans to complete this year.

"Our first project with the retarded children was such a rewarding experience that we are looking forward to many more projects of this sort," Ron Gleason, Key Club president, said.

George Washington, as the first president, received a salary of \$25,000 a year.

Special Counseling Service Set Saturdays At Grossmont College

Grossmont College has inaugurated a special counseling service on Saturdays to accommodate the 800 students attending classes on Saturday mornings.

According to Acting Dean of Guidance Services Lawrence E. Woodward, the special service is being provided for those students who cannot use the counseling services on regular school days because of demands from their jobs or class schedules.

Commencing this Saturday the counseling office will remain open from 8 a.m. to noon on Saturdays during each week that school is in session.

Helix Student Wins Title For Drumming

Tom Nystrom, drum sergeant of the Helix High School Bagpipe Band, recently received the title of Drumming Champion of the Western United States and Canada.

Tom, a senior at Helix, competed against 11 other drummers Sept. 5 and 6 in Santa Rosa, and took first place in the novice division.

Tom is a member of the Cameron Highlanders Pipe Band of San Diego County, a group sponsored by the Pacific Coast Pipe Band Association. Tom, along with 15 other members of the Cameron Band, plays at parades and competes with other bands.

Tom has been drumming for four years and hopes to continue after graduation.

Winter Music Season Opens This Evening

San Diego's new winter music season opens tonight at 8:30, when the San Diego Symphony Orchestra performs its first concert of the 1970-71 winter series in Civic Theatre.

Sound 70, theme of the Symphony Orchestra's 10-pair concert season, will debut with highly acclaimed British mezzo soprano Janet Baker appearing with the orchestra under the direction of music director and conductor Zoltan Rozsnyai.

Pete Brown To Defend Title In Andy Williams SD Open

Pete Brown will defend the title he won from U. S. Open Champion Tony Jacklin in a dramatic sudden-death playoff last February 1 at the fourth annual Andy Williams San Diego Open golf tournament January 28-31 at scenic Torrey Pines Golf Course.

The \$150,000 Open will be preceded by a \$200,000 Pro-Am featuring host Andy Williams and some 50 of his celebrity friends.

The Pro-Am will be held at both Stardust Country Club and North Torrey Pines on January 26 and at the North and South Torrey Pines courses on January 27.

A special Torrey Pines tournament course combining the first three holes of the North with all but Nos. 11, 12 and 13 of the South will be used for the four-day, 72-hole PGA-sanctioned Open, expected to lure many of the world's leading pros.

The AWSDO is sponsored by the Century Club of San Diego, in partnership with singer Andy. The City of San Diego not only provides the tournament course, but also utilizes funds from hotel/motel tax receipts to help finance the AWSDO.

Among those expected to join Andy in the 36-hole Pro-Am are Danny Thomas, Jack Lemmon, Fred MacMurray, Dale Robertson, Chuck Connors, Lawrence Welk, Dennis James, Claude Akins and many others from the fields of movies, TV and sport.

Rockets Set For Opener Against Phoenix Suns

The San Diego Rockets continue road action this week-end, meeting the Philadelphia 76ers Friday and the Buffalo Braves Saturday before returning to San Diego for their home opener next Tuesday against the Phoenix Suns at 8 p.m.

Both road contests will start at 5 p.m. (PDT) and will be relayed back to San Diego over KFMB (760 AM dial) with Art Eckman doing the play-by-play.

The Rockets opened regular season play Tuesday at Chicago and followed that with a bout at Baltimore Wednesday.

San Diego's home debut next Tuesday will introduce four rookies and a veteran newcomer to Rocket fans at the San Diego Sports Arena. The five new faces on Coach Alex Hannum's club include first-year men Rudy Tomjanovich, 6-8 forward; Calvin Murphy, 5-9 guard; Curtis Perry, 6-7 forward; and Don Adams, 6-7 forward, along with eight year veteran Larry Siegfried, a 6-3 guard.

Siegfried was obtained recently in a trade with Portland, the Rockets giving up Jim Barnett. Siegfried had played seven seasons for the Boston Celtics before being selected in the 1970 expansion draft by the new Trail Blazers.

Arena Bans Smoking

There may be some hot games in the International Sports arena this season — but there'll be no smoking.

Les Land, general manager for the Arena, announced this week that the ban would cover all future sports events.

In the past only certain attractions, such as ice shows, concerts and etc. were covered by the ban.

Smoking will continue to be permitted in the concourse area of the Arena, Land said.

Crayons were used in drawing in France in 1422.

MM Harriers Embarrassed Second Time

Mount Miguel High School's cross country team was caught with its pants down for the second straight week last Friday, as the visiting and highly favored Matadors lost to El Cajon, 21-34.

Following a shocking loss to Helix, the Matadors came to El Cajon determined to get back into the Grossmont League title race, but the Braves, led by Leo Nicolet, turned them away.

Mount Miguel could manage no better than a third and fourth in the race, as Joe Stubbs and Bob Morrison turned in fair performances.

Morrison, who finished poorly against Helix, looked a lot better this week, and could emerge as one of the tops in the league if he keeps improving.

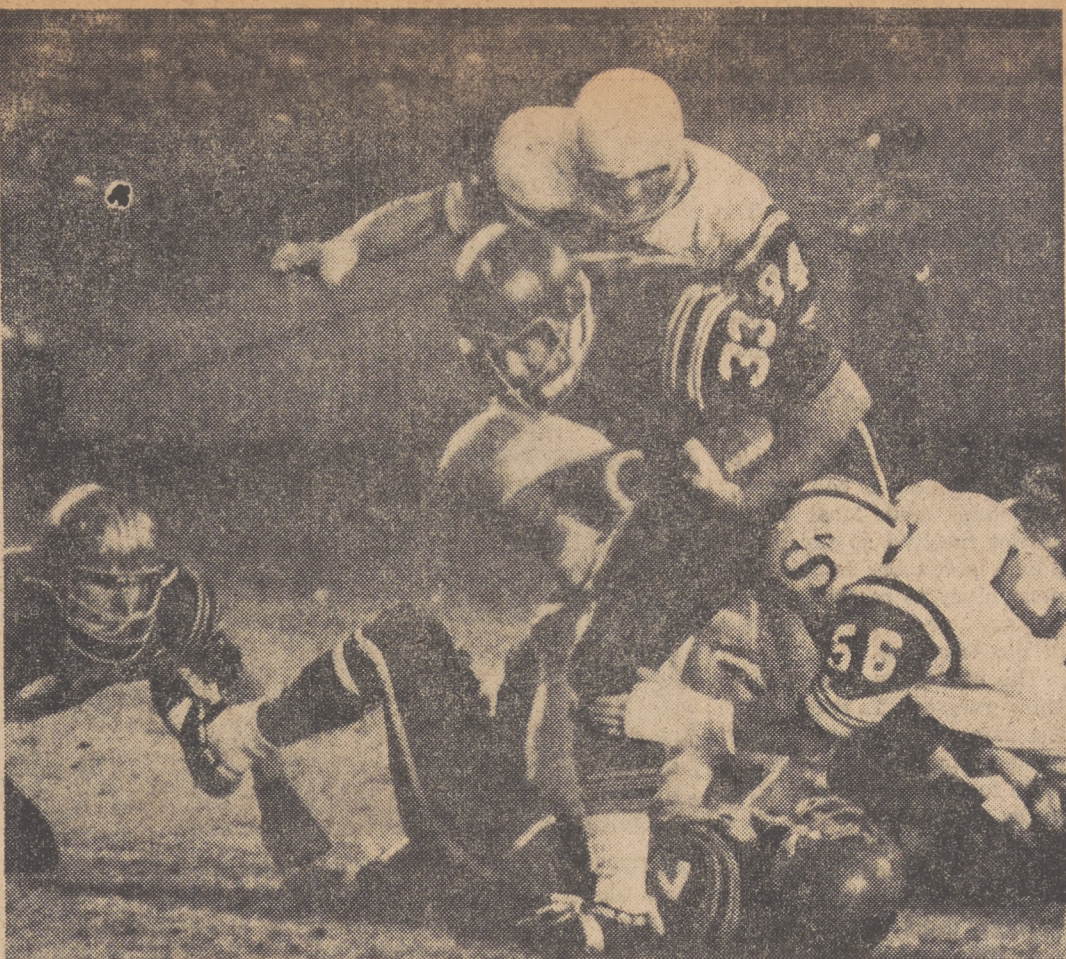

Stubbs looked fair, but couldn't do the necessary job over the Braves' tough flat course.

In the league race, Mount Miguel will need some miracles to win the title, as co-favorites Helix and Monte Vista remained undefeated last week.

If Mount Miguel manages to beat Monte Vista in their meet next month, and Helix also beats the Monarchs, Mount Miguel could end up in a tie for second place, but hopes for a league title depend on at least stunning upsets.

Although nearly out of the league picture, Mount Miguel could still fare well in CIF competition at the end of the season, if Stubbs and Morrison come through as expected and sophomore Joe Badger progresses.

Tomorrow, the Matadors will try to put a figure in the win column, as they travel to El Capitan and face the Vaqueros. El Cap has beaten Grossmont and lot to Helix.

TOUGH TO TACKLE — George Brown, of the San Diego State Aztecs, carries the ball over tackle in last Saturday night's game against Southern Mississippi. Brown set a career high in yards rushing, and the Aztecs won their fourth straight game of the year.

San Diego State Prepares For San Jose Grid Squad

It's back to Pacific Coast Athletic Association competition for San Diego State's 5-0 football team, this week.

The Aztecs will put a 1-0 PCAA record on the line Saturday, as they host San Jose State in San Diego Stadium. Kickoff time is scheduled for 8 p.m.

San Diego, which owns the nation's longest unbeaten streak at 27 games, will be out to keep its undefeated conference string going. Apart from being unbeaten this year, State was 6-0 in 1969 so the Aztecs have never lost a PCAA contest.

The Spartans are on the rebound from a poor start in the 1970 season. So far, their record hasn't shown too much, but, considering the Spartans have been able to stay close in most of their losses, San Jose has made great strides.

San Jose State will come to town under new head coach Dewey King who replaced Joe McMullen two weeks ago. McMullen was forced to step down for health reasons.

San Jose State is a much improved team over last year," remarked Aztec head coach Don Coryell. "They have some fine runners with good speed so they've got the break-away threat. They use a variety of defenses and blitzes so we really won't be able to prepare for any one thing."

The Aztecs tuned up for this week's clash by dumping Southern Mississippi 41-14, while San Jose State lost a 48-25 encounter to New Mexico.

Aztec quarterback Brian Sipe had his finest night as an Aztec as he completed 26 of 46 passes for 318 yards and four touchdowns. Sipe's 46 attempts tied a single game record held by Dennis Shaw set in last year's UOP game.

"Brian was just outstanding," said Coryell. "Without exception he's getting better every game."

Running backs Marv Owens and George Brown had fine performances. Owens scored four touchdowns, rushed for 21 yards and caught eight passes for 135 yards. Brown tied a personal best by rushing for 101 yards on 14 carries.

"Marv was truly great," commented Coryell. "He got off some really unbelievable runs and was outstanding in blocking. George came through with some fine runs and looked good in blocking as did Larry Mitchell."

Tomorrow night Miguel visits El Capitan and Bill Fudge and little hope is held for the Matador team. The Vaqueros have a big offensive line and will be out for revenge after last year's loss to Miguel.

The third period was scoreless and one fourth period tally made the final score 40-0.

Quarterback Kevin Pullen completed five of nineteen passes for eighty-seven yards but was unimpressive in the running department.

Statistically, Monte Vista controlled the air, while Grossmont led the way on the ground. The Monarchs managed 80 yards in the air compared to the Hillers' 57, but Grossmont totaled 95 yards line and will be out for revenge after last year's loss to Grossmont.

Osborne, who hails from Brookside, took second in his heat race and started second in the main event. He ran second for a good part of the race, until leader Russ Bullen retired to the infield with suspension problems.

Osborne was forced to yield the lead to Ed Hale a few laps later, but regained the lead again as Smilin' Ed developed problems and had to call it a night.

As the main event came to a close, Jim Whitt, of El Cajon, challenged the leader, but Osborne nosed him at the wire for the win.

Osborne will try to make it three in a row this Saturday night as he takes on the likes of Hale, Lemon Grove's Jim Hitt, and Spring Valley's Pat McIntyre in a 50-lap grand prix, the last race of the season.

On Saturday night, Hale will officially receive his crown as 1970 point champion, and Osborne is expected to receive "Rookie of the Year" honors.

Also on tap Saturday night is the battle for final positions in the top ten point leaders. A vicious battle remains for the number three position, with John Dineen, Hitt, and McIntyre trying to claim the spot.

Osborne will be trying to climb into the ninth position, after crashing the top ten last week.

M.V. Harriers Bomb Grossmont But Gridders Drop Second Game

Monte Vista sports fans had plenty to cheer about Friday afternoon as the cross country team plastered Grossmont, but later on in the evening, the cheers turned to groans as the Foothiller footballers belted the Monarchs, 21-0.

The Monarch harriers took the top seven positions en route to their 15-50 drubbing of the Hillers, and Tom Lux led the way over the 1.9 mile course in 9:07 five seconds off the course record.

Rick Duenez looked sharp in second place, 16 seconds behind the winner, and Gary Close was close behind in third place, two seconds behind Duenez.

Tom Sims, Tom Wendt, John Tilt, and Mark Stewart completed the scoring for Monte Vista.

A couple of hours later, however, Monte Vista's offensive unit turned into Mr. Nice Guy as the Monarch gridders fumbled three times and threw

two interceptions in, losing to Grossmont, 21-0.

Grossmont jumped into the lead in the first quarter when Larry Olsen drove in from the three-yard line.

The Monte Vista defensive unit hardened up a bit with a little help from the officials in the second quarter, holding the Grossmont lead to 7-0.

The Hillers nearly had a touchdown when Vernon Lint-

vedt returned an interception 35 yards to the end zone, but a flag on the play nullified the score.

In the third period, Grossmont cracked the Monarch defense for two tallies. Travis Hitt carried one in from the eight, and Mat Fahl busted through from the one.

Monte Vista tightened up defensively in the last period, but could still not get an offensive drive going, and the gun sounded with the Monarchs on the short end of the 21-0 score.

Statistically, Monte Vista controlled the air, while Grossmont led the way on the ground. The Monarchs managed 80 yards in the air compared to the Hillers' 57, but Grossmont totaled 95 yards line and will be out for revenge after last year's loss to Grossmont.

Osborne, who hails from Brookside, took second in his heat race and started second in the main event. He ran second for a good part of the race, until leader Russ Bullen retired to the infield with suspension problems.

San Diego Symphony To Open 1970-71 Season

By Lynn Jones

The San Diego Symphony Orchestra will open its 1970-71 season tonight with mezzo soprano Janet Baker as the soloist.

The orchestra will be beginning its fourth year under conductor Zoltan Rozsnyai. There will be 10 pairs of concerts through the fall and winter with guests soloists including Lili Kraus, Van Cliburn and Michael Rabin.

Miss Baker has returned to the United States for a steady round of concert appearances after appearing in Aldeburgh, England this fall, in the title role of "The Rape of Lucretia."

The opening pair of concerts at 8:30 p.m. Thursday and Friday will mark Miss Baker's second appearance with the orchestra. Her first was the concert version of Christoph Gluck's "Orpheus and Eurydice" during the 1968-69 season.

Miss Baker's program will include Gustav Mahler's "Songs of a Wayfarer," and two pieces by Mozart — Parto, Parto from "Clemenza Di Tito" and "Vado Ma Dove?"

The latter, a concert aria, was written for Aloysia Weber, the 17-year-old soprano that Mozart fell in love with at age 22. "Clemenza" was the composer's last opera.

The Mahler songs also were written as a tribute to a singer, Johanne Richter, who that composer fell in love with while he was a conductor at the opera house in Kassel. The affair ended in tragedy.

Also to be performed on the opening set of symphony concerts are Bach's Aria, Toccata and Fugue in C Major, Beethoven's "Leonore" Overture No. 3 and Strauss' "Don Juan," Opus 20.

This is the last week to order season tickets. For more information call 232-3078.

October 16, the Dolmetsch-Schoenfeld Ensemble will be appearing at the Fine Arts Lecture Hall, Grossmont College, at 8 p.m. For more information call 465-1700.

On October 16 through the 17, there will be a film program featuring Ingmar Bergman's "The Ritual" at Sherwood Hall, 700 Prospect St., La Jolla, at 7 p.m. and 9 p.m. For more information call 454-0183.

"Little Ham," a stage play presented by the Southeast Community Theatre; Lincoln High School Auditorium, 150 S. 49th, can be seen on October 16 through the 24 at 8 p.m., Friday and Saturday only.

Guy Lombard and his orchestra will be appearing at the Civic Theatre at 8:30 p.m. on Sunday the 18. They will be appearing with a duo of guest vocalists, Don Griley and Lesley Stewart.

Guy Lombardo and His Royal Canadians feature the four brothers — Guy, Carmen, Lebert and Victor. They are credited with having introduced more than 600 songs through its more than half-century history. Last year it played for the first time in Carnegie Hall and became possibly the first musical organization to have a rose named after it.

Tickets are available at the Civic Theatre Box Office, 3rd and B St., all Highlander Men's Stores and Metro Ticket Agencies. Tickets are: \$5, \$4, \$3, \$2, and \$1. For more information call 236-6510.

The Cave Dwellers can be seen through October 24 at the Aetor's Quarter Theatre, 480 Elm St., at 8:30 p.m. Friday and Saturday only. For more information call 234-9325.

The puppet play, "Winnie-the-Pooh," by Puppets Please can be seen through October 25 at the Puppet Theatre, Balboa Park, at 1:30 p.m. and again at 2:30 p.m. on Sunday only.

Y Sets Saturday Adventure Club

The Heartland YMCA is offering a Saturday morning program including five swimming lessons, craft sessions, trips to areas around San Diego, small group games and participation and excellent supervision.

Hours for the Saturday adventure club are 9 a.m. - noon Saturday mornings, from October 10 to December 10, except November 28.

For information on the program, call the Heartland YMCA, 466-416L.

Snowfall Contest At Palm Springs

PALM SPRINGS — The Snowfall Guessing Contest at the Palm Springs Aerial Tramway has become a wide open affair, according to general manager O. L. (Mac) McKenney.

"If nature doesn't give us snow at the top by the end of the month, hundreds of people will have made a bad guess," McKenney said. Most of the entries received so far picked a date in October as being the most likely to receive an inch of snow, or more, at the top of the Tramway.

The contest is still open to snow guessers. To enter, write the date you think an inch of snow or more will fall at the 8,516 foot Tramway top. Each guess must be written on a separate postcard or be in a separate envelope. Mail it to: Public Relations, Palm Springs, Calif., 92262.

In the event more than one person guesses the correct date, the 10 persons whose entries bear the earliest postmarks will be declared the winners.

Prizes are two roundtrip Tram rides and two dinners at the Alpine Restaurant. Two years ago the first snowfall came on Nov. 15 and last year the winning date was Oct. 18.

Matador Water Polo Crew Nets Win Over C.V.

Mount Miguel's water polo team, following setbacks at the hands of Monte Vista and Vista two weeks ago, came back last Friday to drown a game Chula Vista team, 25-11.

Line Szuch, captain of the team, looked good in the action, splashing his way to nine goals, while teammates Phil Rounds nailed six, and Jim Tarantino got five.

Co-captain Dave Johnson chipped in four tallies, while Ike Bailey rounded out the scoring with a goal.

ACTORS' QUARTER Children's Theater, 480 Elm Street, in San Diego will give a special performance of "Sleeping Beauty" for the children of Home of Guiding Hands, Lakeside, and Angel's Unaware, El Cajon, Saturday in addition to their regular performance at 2 p.m. The play was directed and adapted by Ginger Cody of

Lemon Grove. Mrs. Cody is also the Director of the Children's Theater. Ballet Dancers in the photo are, from left, Denise De Moss, Alma Mason, Darlene Downer, Cathy Crump, Juanita Harper, and Patricia Law. The girls are from the Jeri Kish School of Ballet, in Lemon Grove.

Spring Valley Sailor Is Rifle, Pistol Champion

What should a person do with 5,000 pounds of trophies?

Herbert B DeLong, First Class Sonar Technician aboard the destroyer tender USS Prairie, has come up with a solution for the 2½ tons of trophies he has won in rifle and pistol competition during the past six years.

He gives them away to local civilian and military representatives who support and sponsor shooting competition in the San Diego area. DeLong has now given up accepting most of the trophies he wins in matches.

For DeLong, it all started in 1964 when he entered his first competition with no prior experience and won the First Naval District Rifle and Pistol Match. Since then he collects an average of 20 medals and trophies for each match he enters.

The 31-year-old Navyman, who lives at 849 Galapago st., Spring Valley, holds an impressive record which includes 1970 honors as All-Navy Pistol Champion, the Pacific Fleet Pistol Champion, and the Eleventh Naval District Pistol and Rifle Area Winner. DeLong also is the holder of the range record and night range record at the San Diego Police Range.

DeLong is one of four active duty Navyman to hold the President's 100 Badge for pistol firing and holds the Navy's Distinguished Rifle Badge and Distinguished Pistol Badge.

One of two military men who will train the referees for the World Shooting Championships, DeLong says he prefers international type shooting because of the high level of competition.

A side light in his shooting talents is that he is the only man in the Navy's history to be a running boar shooter.

He attributes his success to the following four rules: 1) concentration, 2) sight alignment, 3) trigger squeeze, and 4) mental stability.

'Hard Day's Night' Is Grossmont Film Tonight

Grossmont College will continue its Fall comedy film series when the Beatles' first full-length film "A Hard Day's Night" is screened at 7:30 p.m., tonight in the Fine Arts Lecture Hall.

Starring the four Beatles and Wilfrid Brambell, "A Hard Day's Night" has been described as a four-way laugh riot. The New York Times' Bosley Crowther, describes this zany comedy "as a fine conglomeration of madcap clowning in the old Marx Brothers' style, done with such a dazzling use of camera that it tickles the intellect and electrifies the nerves."

The public is invited to see the four youngest people ever to have been made Knights of the Order of the British Empire in one of the funniest comedies since the days of the silent film. The price of admission is 50 cents with tickets available at the door.

CRACK SHOT — Herbert DeLong, of 849 Galapago st. Spring Valley takes a bead on target in recent pistol competition. He has won over 5,000 pounds of trophies since 1964 for his prowess in pistol and rifle shooting.

Gulls-Portland Face-off As Hockey Season Opens

The San Diego Gulls open the home portion of the 1970-71 Western Hockey League season tonight, facing the powerful Portland Buckaroos in an 8 o'clock game at the Sports Arena.

The Gulls carry a 1-0-1 record into tonight's game, gaining three out of a possible four points in their season opening series in Denver last Friday and Saturday.

Tonight's game matches the Gulls against their arch-rivals, the Buckaroos. The Gulls and Portland have battled each other through two exciting playoff series as well as their regular season rivalries.

The Buckaroos must be rated as favorites in the Western League this season, but will get stern challenges from every team in the improved and highly competitive WHL this season.

Following tonight's game, the Gulls will return to action on Saturday night at the Sports Arena against the Salt Lake Golden Eagles, then travel to Phoenix next Wednesday to face the Roadrunners in the first of eight games that the Gulls will televise this season.

The game can be seen, live and in color, on KCST, Channel 39. All San Diego Gull games, home and away, will be broadcast on KOGO radio, 600, as they have been for the last four seasons.

In tonight's game, the Gulls will face a team that has never finished worse than second in 10 seasons of competition in the WHL. Last season, the Bucks put together one of their best seasons and still finished second to powerful Vancouver.

Southwestern Offers Third Sales Class

Southwestern College Business Department will offer the third class in a series of weekly retail store sales classes starting Monday, October 19, according to Frederick Lotze, class instructor. The classes are open to students and the public at large. The only restriction is that individuals must be at least 18 years of age.

The purpose of the class is to provide inexperienced people with one week of intensive training that will prepare them for part-time employment in retail sales or related positions. Those successful in completing the class will be given assistance in securing jobs.

Areas to be covered include cash register procedures, sales checks, exchanges, returns, basic math and the selling process. Personal qualities such as proper dress, and working with others will be stressed.

The non-credit class meets daily from 3 to 6 p.m., Monday through Friday for one week.

The second session will be held the week of October 19-23. A final session will be held during the fourth week of October.

Scotties Shock El Cap, 16-14, Tied For First

The Helix Highlanders, after tromping over Mount Miguel in the league opener, 41-0, kept the momentum going last Friday night, and upset highly regarded El Capitan, 16-14.

Helix got on the scoreboard first, getting six points on a 26-yard romp by Steve Coover. Coover caught a pass moments later to complete the two-point conversion, and Helix led, 8-0.

El Capitan went to their ace running back, Bill Fudge, in the second period to cap a drive from the one-yard stripe. The two-point try failed, however, and Helix led, 8-6.

The Highlanders came back in the second period to score again, as Coover busted through from the one to cap the drive. A pass was good for the two-pointer, and Helix led, 16-6.

El Cap came back after half-time to get another tally, and things started getting a little "hairy", as the score became 16-14 after the two-point try was successful.

The Highlanders were unable to get on the board in the second half but the mini-men from Helix shut off Bill Fudge in the last 1½ quarters, holding him to 22 yards, and the Vaqueros were unable to score.

The win for Helix left them tied for first place with Grossmont and El Cajon, with 2-0 records.

PINE PLANTERS — Mrs. Hal Crow, left, president of L.G. Woman's Club, along with Mrs. H. E. McNeil, conservation chairman, and Mrs. Henry Davis, garden section chairman, plant a pine tree to the Club. The tree was an award for donation of the most money per capita to the Save The Torrey Pines Fund.

College Seminars Planned On Contemporary Problems

Grossmont College will open a series of five seminars on the "Use of Drugs and Other Contemporary Problems," at 8 p.m., October 21, in the Fine Arts Lecture Hall. The series, titled "Our Endangered Society — Can it be Saved?" will feature the most outstanding lecturers available discussing topics of interest to all age groups.

Dr. Gloria Powell, a research fellow in child psychiatry at the Neuropsychiatric Institute, Department of Psychiatry, University of California at Los Angeles School of Medicine, and a clinical instructor of psychiatry, will

discuss "Socio-cultural Retardation," to commence the series. Dr. Powell will be followed by Dr. Joel Fort October 28, who has selected "Marijuana — Are We Going to Pot?" as the topic for the second seminar. He will be followed by Dr. J. Thomas Ungerleider on November 4, discussing "America's Drug Revolution."

"The Turned on Generation — Drugs, Sex and the New Morality," is the topic selected by Dr. Duke Fisher for the seminar scheduled for November 11. The final presentation of the series will be made by William Dubay, former Catholic priest who will discuss "Urban Planning and Human Relations," on November 18. Admission to the series of five seminars may be purchased for \$2 with admission to individual seminars set at 50 cents per person. The public is invited to attend and hear the experts — discuss some of the most urgent problems facing our community and nation.

Youth Group Drives For Hanoi Letters

A drive here to raise \$1,200 and to collect 10,000 letters to the Hanoi embassy for the release of American prisoners was announced here by Heartland Youth for Decency.

The funds will be used to buy billboard space to publicize the project. Funds will be raised by selling American flag lapel pins.

The letters and signatures on petitions asking for the release of American prisoners by North Vietnam, will be delivered to the Vietnamese by the brother of Lt. Cmdr. John McCain. Cmdr. McCain has been a prisoner since 1963.

HYFD will sponsor booths in shopping centers and churches during the coming weeks.

Those who want to assist in the project should write HYFD, P.O. Box 322, La Mesa.

Air California Adds SD Service

San Diego's newest airline—Air California—brought one of its newest planes to Lindbergh Field last week to show newsmen how it expects to operate between San Diego and San Jose and Oakland.

The new service will begin November 1, according to Dudley Miller, Air California vice president. Bob Payton will be customer service manager, he said.

The firm will fly Boeing 737's on their "red carpet" commuter service.

Cleaner Air Week Planned October 26-30

Dirty air is not healthy for children and other living things. And Cleaner Air Week will be October 26-30.

Thousands of individuals — spurred on by their tuberculosis and respiratory disease associations as well as other groups — will put the pollution plague centerstage that week. They will organize meetings, see their Congressmen, fly balloons and create some ingenious spectacles.

Researchers have clearly established the relationship between air pollution and increased death rates, especially among men aged 50 to 69 who have a lung disease. But new evidence shows that pollution also has damaging effects on the very young.

NEW SUPERVISOR?—George Walker Smith, candidate for DeGraff Austin's Fourth District Supervisorial seat, sees himself the winner over his opponent Jim Bear. Mr. Smith, minister of the Golden Hills Presbyterian church, is serving his second year as president of the San Diego Board of Education. In his race for supervisor, he won the support of his two defeated opponents Ron Fuller and Ralph Finerty. "I'll be a close race but I'll win," he said this week.

37 Artists To Offer Work At Mercy Ball Fete

Mrs. Louis J. Mulligan and Mrs. Edward T. Austin, co-chairmen of the Art Auction committee for the Mercy Ball, scheduled for October 31 at the Town and Country Hotel's Convention Center, said that thirty-seven leading Southland artists have donated works to be auctioned at the ball.

"The artists this year are interested in giving some of their best work," Mrs. Mulligan said. "We are very fortunate to have such selected work for the auction." The artists donating work are: Gus Arriola, Mrs. Edward T. Austin, Eric Bass, Eleanor Birchall, Rex Brendt, Bayton S. Brown, Captain James Brown, Mary Creamer, Elise Donaldson, Helen Dowd, Milfred Ellison, Mrs. Willis Fletcher, Russell I. Forester, Theodor Geisel, and Eve Gilchrist.

Also Everett Gee Jackson, Gary Jenkins, Marie Johnson, James Kacirk, Robert Landry, Mrs. Raymond F. Miller, Patricia Nelson, General A. H. Noble, Mrs. Harper Olmstead, Jan Peters, Mrs. Lyle S. Powell, L. T. Shackelford, Barbara Sharp, and Marjorie Sinram.

Others include Roberta Steel, William Thompson Stephens, Berne Timmons, Dr. Harold Torbert, Gail Trowbridge, Rossie Wade, Olaf Wieghorst, and Hope Wilts.

Butkus Woes Faced By Chargers Sunday

Switch villains. After getting the quarter-back glamor treatment from Johnny Unitas, Daryle Lamonia, Roman Gabriel and Bart Starr on successive weeks, the San Diego Chargers bump into The Hulk, pro football's Angry Man, middle linebacker Dick Butkus.

The Chargers (0-3-1) make their first visit to the lair of Papa Bear, old Wrigley Field, to meet Butkus and the Chicago Bears (2-2) Sunday.

The game will be televised in San Diego by NBC on KOGO-TV and broadcast by Stu Nahan and Emil Karas on KDEO and the Charger network starting at 11 a.m. (PDT).

If adversity loves company, the Chargers and Bears make an ideal couple. In the bloom of August, Sunday's game was billed as a battle between Gale Sayers and Dickie Post, the swiftest of the swift and league rushing leaders. In the bluish of October, both are sidelined with knee injuries.

In August, Post scored the winning touchdown on a 14-yard run as the Chargers rallied to beat the Bears, 14-9, in a pre-season game at San Diego.

San Diego gave another strong, exciting but unsuccessful performance last Monday night in losing to the Green Bay Packers, 22-20, before 53,064 at San Diego Stadium and a national TV audience.

Green Bay won on a 14-yard

field goal by Dale Livingston with 3:39 left after San Diego had stormed back from 19-6 with two fourth-quarter touchdowns to lead 20-19. The scores came on a 24-yard run by Willie Frazier on a tight-end reverse and a one-yard run by Jeff Queen.

Coach Charlie Waller praised his team for its effort. "They played their hearts out." It was the second two-point loss for the Chargers (Baltimore, 16-14).

Tackle Andy Rice was a defensive standout for San Diego with 13 tackles, seven unassisted. Linebacker Bob Babich had 12 tackles and Steve DeLong two quarterback sacks.

Heggland, Hess, Dent Join Boney

Three men who have served in top-ranking governmental posts in San Diego County have joined the campaign organization supporting election of Henry Boney as State Senator in the 40th District.

T. M. Heggland, who served as the County government's chief administrative officer for over 18 years, has been named chairman of the retired county employees group backing Boney.

Robert Dent, who served on the Board of Supervisors for 12 years before his retirement, including terms as chairman, has been appointed to the campaign's Executive Committee, heading the senior citizens groups.

Boney also announced that Charles Hess, former City Manager of National City, is serving on the campaign's Former City Employees Committee. Hess is presently with a management consulting firm and in 1967-68 served as a State Department advisor in Viet Nam.

Moose Honors Woman
Mrs. Redverse Adamson, Graduate Regent of Lemon Grove Chapter 926, Women of the Moose, will travel to Santa Barbara on October 25 to attend convocation exercises where she will receive her "Green Beanie".

College of Regents, Mrs. Marten Kansler will carry her. Mrs. Adamson has been a member of W.O.T.M. for over twenty years serving the chapter in all capacities and has belonged to the Lemon Grove Chapter for the past three years, serving as Senior Regent the past year.

COUNTY HELPS OUT — Emergency County of San Diego road crews turn to a new job — clearing fire debris in the scarred Jamul and Harbison Canyon areas. County crews on request cleared sites, leveled pads for mobile homes to be moved in, cleared driveways, and hauled out burned autos. Emergency weekend effort was coordinated by three County Emergency Information Centers manned 13 hours a day, seven days a week. More than 90 homesites were inspected, photographed for insurance claims, and cleared in first three days. Clean-up work continues with County hired specialized contractor equipment.

18-Day 'Fence-Mender' For Lionel Van Deerlin

WASHINGTON — Rep. Lionel Van Deerlin, D-San Diego, returns to the 37th District to begin his campaign for a fifth term in Congress.

Van Deerlin has formal appearances and other public activities planned for virtually all of the 18 days remaining until the November 3 election.

As in the past, Van Deerlin will also visit major plants and shopping centers to make personal contact with a maximum number of constituents. He estimates he has been able to see and greet individually as many as 20,000 residents of his district through such appearances in earlier campaigns.

At 10 a.m. tomorrow he will help dedicate the new South-east San Diego branch office of the Social Security Administration.

Events set for Saturday include a senior citizens' meeting at 1:30 p.m. in St. Joseph's Cathedral, a 2 p.m. picnic honoring Assemblyman Waddeh at Rohr Park and a

"Knock Out Narcotics" dinner at 6:30 p.m. in Sir George's Restaurant, Chula Vista.

Sunday, Van Deerlin will speak at a picnic, beginning at 3 p.m., at South Crest Park in Southeast San Diego.

Time has been set aside later for sessions with both union and management members, veterans, students, teachers, employee groups and service clubs.

Grove Firm Low In CV School Bid

A Lemon Grove firm, White-Shirley-Wark, of 7973 North ave., was low bidder for the construction of Montgomery High school in Chula Vista.

The bid of \$2,998,000, according to Supt. Joseph Rindone is for a 1,400-student facility at Palm and Beyer way.

Two other bids were in excess of \$3 million. Rindone said he would recommend to the school board that the bid be accepted at its regular meeting tonight.

Endorsement Of 18 By County Supervisors Called First In State

Endorsement of Proposition 18 — which would permit diversion of state gasoline tax revenues to smog control and public transportation — by San Diego county supervisors is the first by a major legislative body in a major metropolitan area of the state, Mrs. James Lenihan, president of the League of Women Voters of San Diego County reported last week.

"We hope that Los Angeles county supervisors and those in the multi-county San Francisco bay area and urban districts of the San Joaquin and Sacramento valleys will follow suit," Mrs. Lenihan said, "because passage of Proposition 18 at the Nov. 3 election will give counties and transit districts a ready means of financing public transportation, including mass rapid transit."

Mrs. Lenihan said that Fred Morey, chief administrative officer of the county, in his recommendations to San Diego supervisors, noted that passage of the proposed constitutional amendment would give local legislators a financing "alternative."

Brink Slated At Grossmont

Bill Brink, Assembly candidate in the 77th District will speak to students at Grossmont College Friday at 11 a.m.

Brink is being sponsored by the Grossmont College Young Republican Club. Following his speech, Brink will be the guest of the college at lunch with students, faculty, and administrators.

At 1:30 p.m., Brink will speak to Senior Citizens at the Balboa Park Recital Hall. He will outline his platform plans for Senior Citizens, at the program, sponsored by the Recreation Department of the City of San Diego.

The Grossmont College speech will present proposals for dealing with campus disorders and financing of higher education. Brink is president of the Jamul-Los Flores School Board and is running as part of "Reagan's Team."

Mills Calls On Reagan For Conservation Camp

Senator James R. Mills, Democrat of San Diego County last week called on the Governor to allow money for a Bratton Valley Conservation Camp.

"Three years ago, in 1967, Governor Reagan ordered the closing of Camp Minnewawa in San Diego County," Mills said. "Many people in San Diego County were concerned about the loss of fire protection involved. The honor camp prisoners had been an effective first line of defense in keeping back country fires from getting out of hand."

Linkletter To Support Boney's Senate Campaign

Art Linkletter, the television and radio personality and prominent figure in the fight against drug abuse, has announced his support for Henry Boney's candidacy for the State Senate.

At a news conference at his campaign headquarters, Boney read a telegram from Linkletter which said in part, "your leadership in developing drug legislation is needed ... the concern you have shown at the County Board of

Supervisors convinces me that you are the man I need to work with as a State Senator in Sacramento."

Boney noted that he is the only candidate Linkletter has endorsed in a legislative contest this year. Boney said the endorsement "strengthens my determination to implement a strong drug abuse control program" in California. He cited the DEFY (Drug Education For Youth) program which was started in San Diego this year as an example of the type of drug education effort he would like to implement statewide.

Boney criticized his opponent in the State Senate race as a person with a "dismal record" on drug abuse. Mills' poor record on the subject shows a "lack of interest in the very serious subject of drug abuse," Boney emphasized. "Mills has been a 'go-along' guy who occasionally votes on a drug bill — if someone else proposes it."

Boney blamed Mills' and other legislators who are not interested in the drug problem for part of the "drug disaster" in California today.

County Tops In Collecting Property Tax

San Diego was the "collecting" county in unsecured property taxes, it was announced this week by James E. Jones, County Tax Collector.

Jones said that of the \$22,809,320 taxes due, 99,836 per cent was collected. The remaining balance of \$37,411 may be collected in whole, or in part, Jones added.

Second to San Diego County was San Mateo County with Los Angeles running third. In all, there are 58 counties in the state.

Mariposa County was 58th with a 24 per cent delinquency.

San Diego was seventh in collection of the secured property tax roll, Jones said.

Management Club Hosts Van Deerlin

The National Steel and Shipbuilding Company's Management Club will play host to Congressman Lionel Van Deerlin at its monthly dinner-meeting on Monday evening.

At the Valley Ho Restaurant, it was announced by Tom Felts of 2327 Loma dr., Lemon Grove, president of the club.

Van Deerlin, who's district, California's 37th, encompasses almost one half of the land area of San Diego County and nearly one third of the population, has always given primary attention to the problems of his district, Felts said. During his first six years of office, he has sought to enlist federal support for local efforts to attract new industries and to develop San Diego as a major world port, he added.

Van Deerlin will discuss shipbuilding in San Diego.

Skating Party Planned By Horizon Club Girls

The Heartland District Horizon Club Camp Fire Girls will stage a roller skating party Tuesday, October 20 at Skyline Rollarena in the Lomita Shopping Center, Lemon Grove. The party will get underway at 3:30 p.m.

Chris Sargent is chairman of the event. Assisting her are Bonnie Brower, Jenny Colbeth, Peggy Guard and Kathy Reams.

Lemon Grove Man Pleads Not Guilty

SAN DIEGO (CNA) — A Lemon Grove man charged with assault with a deadly weapon with the intent to murder a police officer pleaded not guilty in Superior Court when arraigned last Wednesday morning before Judge Leland C. Nielsen.

A trial date of Dec. 1 was set for Ignacio Solis Romero, 30, of 7645 Pacific ave., Lemon Grove, who surrendered to sheriff's deputies in Lemon Grove July 25, after the shooting incident.

The alleged shooting was at a car driven by Randal Swanson, a San Diego police officer. Swanson reported that he had gone off duty and was driving east on "C" street, in San Diego. He said the passenger side of his car was hit by a bullet, apparently fired from an abandoned lumber yard by a high-powered rifle.

After his surrender, Romero was booked on suspicion of intent to murder.

Bail was reduced from \$25,000 to \$2,500 in Superior Court Tuesday for the defendant, and a trial date has been set for December 1.

Duffy Denounces Campus Militants

Sheriff's Captain John Duffy told members of the Lemon Grove Rotary club Monday that lawbreaking on college campuses is no more sacred than elsewhere and that as sheriff, he would apprehend and prosecute the "two percent" of the "radical, militant, organized students" who break the law. He seeks to replace retiring Sheriff Joe O'Connor.

He named the Weathermen and Black Panthers as the two most violent groups in the country.

He said that organized crime is not now flourishing in San Diego. "Our intelligence men meet 'family' representatives and we go where they go," Duffy said. "Family" refers to Cosa Nostra organizations.

Refresher Course Offered For RN's

The Paramedical Department at Southwestern College will offer a special "R.N. Refresher Course" for any former or inactive registered nurse who wants to update her skills and return to full-time or part-time duty.

The course will begin on November 16 and run through January 29. Clinical observation and experience will be obtained in the hospitals in the South Bay communities.

"The course will offer five units of college level work," said Sister Helene Marie Sauer, Paramedical Department chairman. "A regular member of the college faculty will teach the course, and we will make a special effort to arrange class hours to fit the needs of mothers with school children."
